Nobara,
you call
yourself the
school's
beauty but
don't tell
me you're
ruined! Look
on a date
with
anyone...

Oh how... the
person you're
trying to
seduce against
is right here

You
are
right

And the clothing
should be more

hair should be
curled. You
should make your
partner think
"Ah, she's a little
different than
usual"

Yes!

You

you
going
about?
Are
you
also
on
a
date?

Surprised

Would you like to tour a gourmet photo shoot on your date?

Ranen...
